

Hayward Unified School District

Monitoring Site Based ELD Implementation Flowchart

Step 1: Use the district's ELD Program Checklist to monitor the ELD Instructional Program

<p>Elementary: Teacher Self- Assessment Grade Level Needs Assessment</p>	<p>Secondary: Department, family etc. Needs Assessment</p>	<p>Administrative Classroom ELD "Learning Walks"</p>
--------------------------------------------------------------------------------------	--------------------------------------------------------------------	------------------------------------------------------

Step 2: Develop a Strategic Professional Development Plan to Improve ELD Instruction

1. Share data from ELD Program Checklist and the ELL Program Implementation Checklist
2. Identify strengths and list the areas of ELD implementation that need improvement
3. Select the type of ELD professional development plan needed:

- | | | |
|----------------------------------------------|------------------------------------------------|---------------------------------------------------------|
| <input type="checkbox"/> In-Service training | <input type="checkbox"/> Demonstration Lessons | <input type="checkbox"/> Professional Literature Review |
| <input type="checkbox"/> Peer coaching | <input type="checkbox"/> Conference Attendance | |
| <input type="checkbox"/> Mentoring | <input type="checkbox"/> Cognitive Coaching | |
| <input type="checkbox"/> Workshops | <input type="checkbox"/> Other _____ | |

Step 3: Establish ELD Implementation Goal and Timelines

1. Set both reasonable and ambitious goals for implementation of the district's ELD instructional program.
2. Set timeline for implementing step to meet goals.

Step 4: Evaluate the Achievement of ELD Implementation Goals

1. Assess the level of student ELD progress.
2. Repeat Step 1 to determine if the level and quality of ELD implementation has increased or not.
